GROUP COACHING – 7 SECRETS OF LEADING OTHERS

COACHING PROGRAM GOALS:

- 1 Accountability to working with a development plan that is designed for you
- 2 Enhance personal and professional vision, mission, core purpose and implementation of your leadership development plan
- 3 Coaching and training to enhance leadership skills and abilities
- 4 Connect with others going through the same journey

ILEC Group Coaching is a 16-week workshop bi-weekly series. Each session includes a two-hour workshop focusing on the key elements of leading others. These have a maximum of ten participants allowing the coach to work closely with each member.

These interactive workshops include in-depth discussions about your potential as a leader and how to get there. Each workshop will also involve assignments outside of the classroom. Between classes, the coach checks in, providing additional instruction on those assignments. There will be a one-on-one with the coach after session eight ends to review Intelligent Leadership Development Plan (ILDLP).
